

TERANTA- F[®] *(Derived from a secret tribal formula)*

Abhumka Herbal Pvt Ltd is deeply engrossed in formulating tribal's traditional herbal knowledge into finished products. Abhumka has now come up with **TERANTA-F[®]**, energy capsules that promote wellness. **TERANTA-F[®]** capsule for women is long researched secret formula based on Indian tribal's traditional herbal knowledge which is tried, tested and trusted for thousands of years. The blend of herbs and its synergistic effect rejuvenates your body to its maximum.

Today's fast paced environment has led to unhealthy lifestyles, which combined with stress, pollution and a poor diet can lead to weaker immunity and strength. **TERANTA- F[®]** is not just meant for sex, it mainly maintains health and fitness and boosts your metabolism, burn calories, increase thermogenesis and lipolysis to stimulate performance and increases release of adrenalin. By offering more stamina and physical strength, **TERANTA- F[®]** builds your body to retain energy all day. **TERANTA -F[®]** is a perfect energy, mental strength and fitness solution for all female senior citizens, working professionals, students, athletes and any women looking for that added energy. Regular intake of **TERANTA -F[®]** improves mental alertness and concentration and also increases ability to handle stress. Overall, it improves your health, immunity and stamina. This tribal knowledge based herbal formula serves as a supplements diet for increased well-being. **TERANTA -F[®]** is a unique herbal health and fitness formula with balanced combination and synergistic effect of indigenous herbs found in wild forests of India. In all, we can say that **TERANTA -F[®]** rejuvenates and strengthens body organs, improves physical and mental performance, prevents stress & fatigue and helps in improving overall health and vitality.
